## St. Anthony Schools 2012-2013 Tuition & Book Fees

Please prayerfully review the descriptions below and consider which of the three options your family is able and willing to pay for the 2012-2013 school year. Any amount contributed over Plan A is considered a tax deductible investment. This program is voluntary and your participation will be kept confidential. Tuition awards are always available for those requesting assistance.

Calculation for multi-children families: The oldest child would be the first child rate for the school they attend and the remaining children would be charged the 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> child rates for the school they attend based on birth order.

Listed rates reflect tuition for Catholic families who are contributing members in good standing with their home parish. Families of other faiths will pay \$1200 in addition to the base tuition rate per child.
